April Fool's Day

A tropical storm approaches and the Tracys batten down the hatches.

Lending a hand - IR offers assistance at an earthquake-damaged amusement park.

A minor fluctuation - Tin-Tin notices something strange and investigates.

Power cut: The power goes out at TI.

- Jeff and Callie listening in, the power goes out
 - Will goes to Tin-Tin's aid... or tries to.
 - Kyrano and Lisa get stuck in the Roundhouse
 - John and Gordon get trapped in an elevator
 - The screen goes off in the Movie Theatre, Cherie leads the kids to Grandma
 - TB1 is diverted to Mateo Island
 - Somewhere in all this, people are rescued from a stalled amusement park ride in Australia. (Several posts interspersed)
 - TB2 packs up and heads to Mateo

 - The crew on Mateo settle in for the night, same for those on TI
