It's helpful if the players know of any subplots that others are planning so we don't step on anyone's toes. And, if our readers have any specific ideas about one character or another, that's great, too! So post your ideas or plans here.

I have Scott's revenge for the spaghetti cement and the website pictures, all planned out. It will take time before it happens, but after all, revenge is a dish best served cold...

Also, for the next rescue, Luke will be very grumpy. He'll do his job well, but he won't be one for idle chitchat, he'll be very quiet and reserved. Please don't write him all happy and chattery if you use him. Thanks!!

And... I have a little love triangle going on between Virg, Elise and Luke. Virg and Luke are civil and polite to each other, but they aren't the best of friends...

Anyone else have something planned??
