Did you particularly like something in this chapter? Is there something you'd like to see happen? Then post your feedback here. Please add the post number and author so we know which one you're talking about!

Post 2494 by Lillehafrue

A poignant scene between Virgil and Elise, one that perhaps clears the air for them to move forward. Lillehafrue really knocked it out of the park here, making me feel genuinely sorry for both of them. Now to rebuild trust and rekindle romance (we hope).
