Who do your characters look like? If your character lived in the "real world", what would they look like? Where did they live? Show us a picture! Please give credit and real name if at all possible.

While surfing through the HGTV magazine the Easter Bunny brought me, I came across Luke's family home! It's currently for sale, ironically enough outside of Bozeman, MT! 4 bedrooms, 3 baths, on 100 acres. No pond like in the picture, but there is a barn and lots of pasture. The Morel family has 5 horses, including Luke's beloved gelding, Max. They also have sheep, beef cattle and chickens.

And here's Luke! I used to have an awesome picture, but it's lost in cyberspace somewhere. This is Gabriel Aubry, a model and former husband of Halle Berry.

I also lost my picture of Elise, but here's a young Kate Upton that sort of looks like her.

Okay, having found a file with some of the photos from the old board...

Here's Dianne!

Her mother, Lisa!

And this one is marked "Will"... I guess it was Liz's (Hobbeth) choice for her character.

This is sort of what Luke's tattoo looks like. It's not this big, but the shape and coloring are right.

Speaking of tattoos, here's what I envision what Dom's looks like.
